## DELIVERING YOUR PHOTOS

Four weeks after the session, you will get a link to download the full resolution jpegs. The files will be active for at least 30 days.

You will receive an USB key that contains two main image folders:

- 1) JPEGS for printing in 300 DPI. Each image will be given to you in **colour**. These files are large enough for poster printing.
- 2) JPEGS for web in 300 DPI. Each image will be given to you in **black and white**. These files are large enough for poster printing.

USB Keys are sent by the mail, hand delivered, or picked up by the client.

\* All files from the chosen package are fully edited with full copyright, additional artistic enhancing/retouching is also completed on a series of selected images.

**Method of payment accepted:** cheque, INTERAC email, or cash. 50% advance and 50% after completion.
